# DETAILING LIST

## DETAILERS REQUIREMENT

For any of our detailing services we pre-wash with Clay-bar (this is to decontaminate the vehicle) is included.

## MACHINE POLISH

- If a second pass is required, there will be an additional charge of £20-£30 depending on size of vehicle

## PAINT CORRECTION

- Standard wash required with Clay-Bar
- Compound Vehicle
- Machine Polish

## CERAMIC COATING

What is Ceramic Coating?

Industry-grade ceramic coating is to protect it from external paint damage & adds additional hydrophobic layer of protection.

Before any Ceramic Coating we will require a pre-wash with Clay-bar to Decontaminate the surface of the paint before adding this layer of ceramic.

Please note we advise a paint correction if your paint work has imperfections before adding ceramic coating.
